**Kristin Sullivan**

**NORTHWOOD, SHORTSTOP**

Senior shortstop Kristin Sullivan has been on a tear of late. Sullivan is riding a 13-game hitting streak.

And Northwood is 9-4 over that span.

In just her last six games, she is 15 for 26 with 12 RBIs.

Sullivan has improved her batting average to .474 overall. She has 27 hits, 22 RBIs, two doubles, one triple and one home run on the season.

And the home run came against one of the top teams in O.C., El Toro, in a recent Sea View League contest.

Her two-run blast gave the Timberwolves a 3-2 lead in a game they eventually lost, 4-3, to the Chargers.

"But that was OK," Sulli-

van said. "It was still a fun game. It showed we could compete with the best teams around."

Northwood (11-7 overall) bounced back with a 3-2 win over Huntington Beach to level its league record at 1-1. Sullivan was 1 for 2 with an RBI in that game.

"Things are easier this year," Sullivan said. "I am a senior. I am more relaxed. There is less to worry about. I am just taking it one at a time. I know what I need to do."

What she wants to do now is help the Timberwolves get into the CIF playoffs.

"It is a fun team and everyone gets a long," Sullivan said. "There is also a lot of good senior leadership. I am confident we can make it."
